**Episode 1:
Dreamy
11/28/2020**

In Dreamlight, a Dream is part of your mind physically manifested... basically like an imaginary friend.

From the moment mine came to life, she was interested in everything I drew.

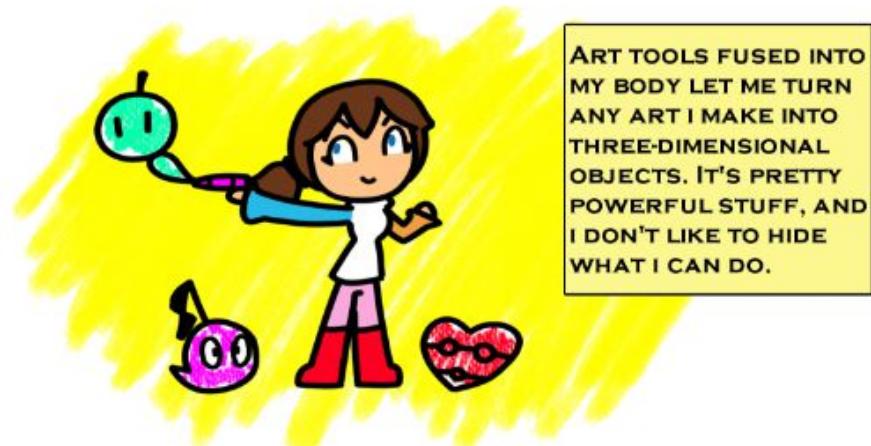

She's a big reason I started making my stories public.

On top of that, with Luna around...

...I'm not as embarrassed to embrace my childish side.

**Episode 2:
Artistry
12/5/2020**

IN FACT, MY CHILDHOOD FRIEND AND BOYFRIEND TOMMY HAS BEEN THERE TO HELP ME CHANNEL MY POWERS SINCE THE DAY WE MET.

TOMMY HAS HIS OWN DREAM TOO, A LITTLE ROBOT NAMED GUMMY...

...WHO NEVER REALLY KNOWS WHAT HE'LL WALK INTO NEXT.

**Episode 7:
Genie
1/8/2021**

But they're all worthless unless I'm wished out of servitude.

AND SO, THE BOY USED HIS WISHES TO REALIZE THE GENIE'S DREAMS.

First, a "GEEK CULTURE" MUSEUM WAS PLACED IN HIS TOWN, ADVERTISING RELICS FROM THE FUTURE.

NEXT, HE WISHED TO BE THE GENIE'S BUSINESS PARTNER, THEN FINALLY WISHED HER FREE.

WHILE THANKFUL, THE GENIE WAS CONFUSED BY HIS CHOICES, BUT HE KNEW WHAT HE'D DONE.

MY CLOSEST FRIEND MELODY KNOWS ABOUT EVERYTHING
I'VE GEEKED OUT OVER THROUGH THE YEARS.

Playing an old favorite there?

There was one tune in this game
that stuck with me... isn't this it?

I think so...
I like this
level's
music too.

Yeah, I remember...

MELODY'S ALWAYS LOOKING FOR INSPIRATION,
MUSICAL OR OTHERWISE.

IT MAKES ME HAPPY WHEN SHE FINDS IT IN ONE
OF MY LITTLE FIXATIONS.

Worldly

LATELY, LUNA'S BEEN LOOKING AT A BROCHURE OF DREAMLIGHT I PICKED UP.

IF SHE'S ANYTHING LIKE ME, IT'S ALL ABOUT THE PICTURES.

**TOMMY RECENTLY BUILT SOMETHING SUPPOSEDLY
INSPIRED BY MY BELL-SHAPED PONYTAIL.**

Hey, I recognize
this! Does it do
what I think it
does?

Yep, except
it goes on
your head
like so...

**Episode 10:
Kitty
2/12/2021**

PUFF!

It is kind of
cute...
What'll you
do with it?

It's for show,
and it's actually
a gift for you!

Maybe we can wear
them on a date?

Like maker, like Dream! Luna absolutely adores "Puppy's Prints"!

I believe you did. Besides...

I'm not worried about Luna either.

Here's my latest storybook: Luna and Gummy solving a mystery behind a corrupted cat creature.
